

K120S-G3 5000lb Stretch Wrap Machine with Built-in Weight and Height Measures and Touch Screen HMI plus Label Printer

The PS-K120S G3 from Prime Systems puts your wrapping, weighing and measuring needs into one machine so you can save time and money! We might not have invented the stretch wrap machine, but we certainly reinvented it.

We believe a stretch wrapper without weighing or measuring is not a complete machine! Wrapped pallets must be weighed and measured for accurate freight quotes and to avoid potential charges and penalties. Our stretch wrapper offers a convenient and cost-effective way to automate your stretch wrapping application so you can cover all your bases with ease.

Not only is our system convenient, it's flexible too! With this system, you can print out the tickets labels and apply them on pallets and shipping documents AND with the optional wireless transmitter, you can save the data on the local or cloud software as a CSV file!

Model	MS-K120S
Dimensions (L x W x H)	96" x 60" x 110"
Machine Weight	1100lbs
Working Efficiency	20-40 Pallets/Hour
Turntable Speed	0-12rpm Adjustable
Turntable Diameter	60"
Turntable Height	5"- 6" (Adjustable by scale feet)
Max Load Weigh	5000lbs
Max Pallet Height	100"
Film Carriage	Pre-stretch / customized stretch ratio: 200%-400%
Film Tension	Clutch Tension Adjustment (motorized)
Lift System	Dual-chain structure. Lift speed adjustable
Control system	PLC Controller. LCD Display. Operational Keypad
Control Settings	Full Control including Circles, Speed, Tension, Enforcement etc.
Power Source	AC 110V / 60Hz American Plug with Grounding
Power	Turntable:0.75kw Film carriage:0.35kw Lift system: 0.37kw
Photoeye Function	Standard
Auto jogging Function	Standard
Safety	Emergency Shut Off Button, Individual Motor Breakers
Scale Indicator	PS-IN105P Label Printer
Scale Capacity	5000 x 1lb
Scale Power	Integrated with the Machine
Scale Auto Tare	Yes (Programmable)
Ramp	Optional. Ramp Size (L x W x H): 96" x 58" x 5"
Assembly Requirement	Push up the pole into its position then lock with 3 bolts. 2 person min.
